THE SKIPPER

JUNE 1950

Twentieth Anniversary Number

Published by the Senior Class of
Riverside High School
Buffalo, N. Y.

The many will follow the beaten track
With guideposts on the way,
They live and have lived for ages back
With a chart for every day.
Someone has told them it's safe to go
On the road he has traveled o'er,
And all that they ever strive to know
Are the things that were known before.

A few strike out, without map or chart,
Where never a man has been,
From the beaten paths they draw apart
To see what no man has seen.
There are deeds they hunger alone to do;
Though battered and bruised and sore,
They blaze the path for the many, who
Do nothing not done before.

--Edgar A. Guest

Dedication

TO YOUTH --

AT THE CROSS-ROADS
OF LIFE

To every man there openeth
A Way, and Ways, and a Way.
And the High Soul climbs the High Way,
And the Low Soul grasps the Low,
And in between, on the misty flats,
The rest drift to and fro.
But to every man there openeth
A High Way, and a Low.
And every man decideth
The way his soul shall go.

--John Oxenham

*N*OW that we have reached the cross-roads of our educational life, we wish to express our deep and sincere appreciation to those who have so faithfully guided us along the road during the past four years.

It is my joy in life to find
At every turning of the road,
The strong arm of a comrade kind
To help me onward with my load.

And since I have no gold to give,
And love alone must make amends,
My only prayer is, while I live,--
God make me worthy of my friends!

GRADUATES OF 1950

You have arrived at the end of a road. You have been guided and urged, by your parents and teachers, to attain the goal of graduation. Life now gives you the freedom of choice of paths. There is a road open to you with a guide post called EASY WEALTH AND SELFISHNESS. Another road that brings adventure and where courage is needed has the guide post called SERVICE. The road-side directions point out the necessity of honest attitudes toward all people, the need of faith in your fellow man, and the great need and the joy of working toward the advancement of peace and freedom. In all cases, it is a rough road that leads to the heights of greatness.

"So long as faith with freedom reigns,
And loyal hope survives,
And gracious charity remains
To leaven lowly lives;
While there is one untrodden tract
For intellect or will,
And men are free to think and act,
Life is worth living still."

With your diploma will go all the good wishes of the faculty of Riverside High School for a useful, happy, and successful life.

Your principal and friend,

Ray W. Spear

Assistant Principal

TO THE GRADUATING CLASS OF 1950

Life is similar to a main highway in many respects. There is a beginning and an end on the highway.

Foundation upon the goal. If you expect to receive you must first give.

Plan your future as an engineer would make detailed plans for a highway bridge across a wide river. The foundation is of utmost importance. Education can help you make your foundation for your life goal.

May your journey along the highway of life be a happy one.

Sincerely yours

Lloyd A. Miller

WE, the class of 1911, have traveled
 a good part of our lives and have
 now reached the parting of the ways. Each
 of us is following his own path when
 he goes with his family and what course he will
 pursue. Let us go on wisely, for there
 will be no turning back.

There's an unknown trail--
 but we'll take it
 It's a steep hard trail--
 who's afraid?
 There are deep sharp chasms
 to walk by,
 No one's hands can aid
 Follow, follow, the far trail
 seems to say,
 Follow, comrade, follow, and
 you'll make the peak today'

THOUGHTS AT PARTING

As graduation time draws near,
We stand here side by side;
Now must we leave the friends so dear,
We've made at Riverside.

The Purple and the Gold we leave,
From school we must depart;
The memory of the days gone by
Will linger in our hearts.

The highway that before us lies,
Is yet to us unknown;
Although we leave the friends we love,
We do not go alone.

Some friends will travel at our side,
To cheer us on our way;
And memories fond of days of youth
Within our hearts will stay.

The record of our high school days,
We close with golden lock;
For no one yet has learned a way
Of turning back the clock.

Before us lie the pages white
Of a volume bright and new,
In which each one of us may write
The things he hopes to do.

We wish to thank, before we leave,
Our teachers and our friends,
For help, for guidance, and for love,
And patience without end.

Class of 1950, we may look back upon
Our years at Riverside:
Our work, our play, the deeds we've done,
With a feeling of great pride.

To you, the Junior, Sophomore, and Freshman classes of Riverside, we wish to pass on the thought that success is not usually achieved by choosing the easy way. Hard work and diligent effort are needed to attain real success. Even though the going may seem hard at first, don't give up; keep going.

"The heights by great men reached and kept
Were not attained by sudden flight,
But they while their companions slept
Were toiling upward in the night."

Junior Girls

WHEN September 1941 rolled around the new occupants of Rooms 143, 144, and 145 tried to accustom themselves to the title of Junior. During the first four seasons, Maryann Kammes, Lorraine Wright, and Mary Ann Popper helped us cheer our team to victory. In the sale of eight football tickets the Juniors are ranked high, with Pat White top salesman.

Our season calendar was especially highlighted by the election of class officers, the Junior Day Program and the Junior Prom.

Sophomore Girls

WITH the assistance of Miss Wittlief, Miss Mago, Miss Kinsley, and Miss Creagh, the Sophomore Class has experienced a most satisfying year.

Outstanding students who took part in assemblies are: Sandra Van Tuyl, Norma Ferioli, and Shirley Dahmer, while Mary Ann Farrell, the Sophomore cheerleader, helped bring out a rousing school spirit.

With an eye to the future, the Sophomore Class hopes to make the coming years even more successful and enjoyable.

A black and white photograph of a large group of people, likely a choir or a large ensemble, standing in several rows on a stage or in a hall. They are dressed in formal attire, and the setting appears to be an indoor space with architectural details visible in the background.

Sophomore boys of the school are posing for their group photograph in front of the building. The group is composed of many boys, all dressed in formal attire, standing in several rows.

*P*ERHAPS one of the most important things to be learned from our school activities is tolerance. In the future, as we travel our several ways through life, if we have learned to be tolerant of our fellow men, we gain in understanding and can live in peace with all men.

"Let me live in my house by the side of the road
Where the race of men go by;
They are good, they are bad, they are weak, they are strong,
Wise, foolish--so am I.
Then why should I sit in the scorner's seat,
Or hurl the cynic's ban?
Let me live in my house by the side of the road
And be a friend of man."

VITAL STATISTICS

BIRTH

WE are proud to announce the birth of that new EFFICIENT school store the PORT HOLE in Room 205.

OBITUARY

This year Riverside High had both a death and a birth. The death was that of the old, crab store room, Room 205.

EARLY in December a ship unfurled its sails, weighed anchor at the doors of Riverside. Going Going

...were your worries about school supplies when this beautiful ship left, leaving behind her cargo for the new addition to the Riverside family, the PORT HOLE. The Port Hole is attended constantly by the find and fitting staff of the newly organized Retaining Class under the supervision of Miss Engel.

Since the arrival of the Port Hole into the family of Sea Givers, we are the only High School in the city which boasts a course in Retailing.

The Port Hole staff and Miss Engel deeply appreciate the cooperation given them by the students and faculty in helping to make the Port Hole a success.

Hi-Y

Generalized linear models (GLMs) are a class of statistical models that extend the linear model to include non-normal distributions and link functions. They are used to model the relationship between a continuous or discrete response variable and one or more predictor variables. The GLM framework includes the following components:

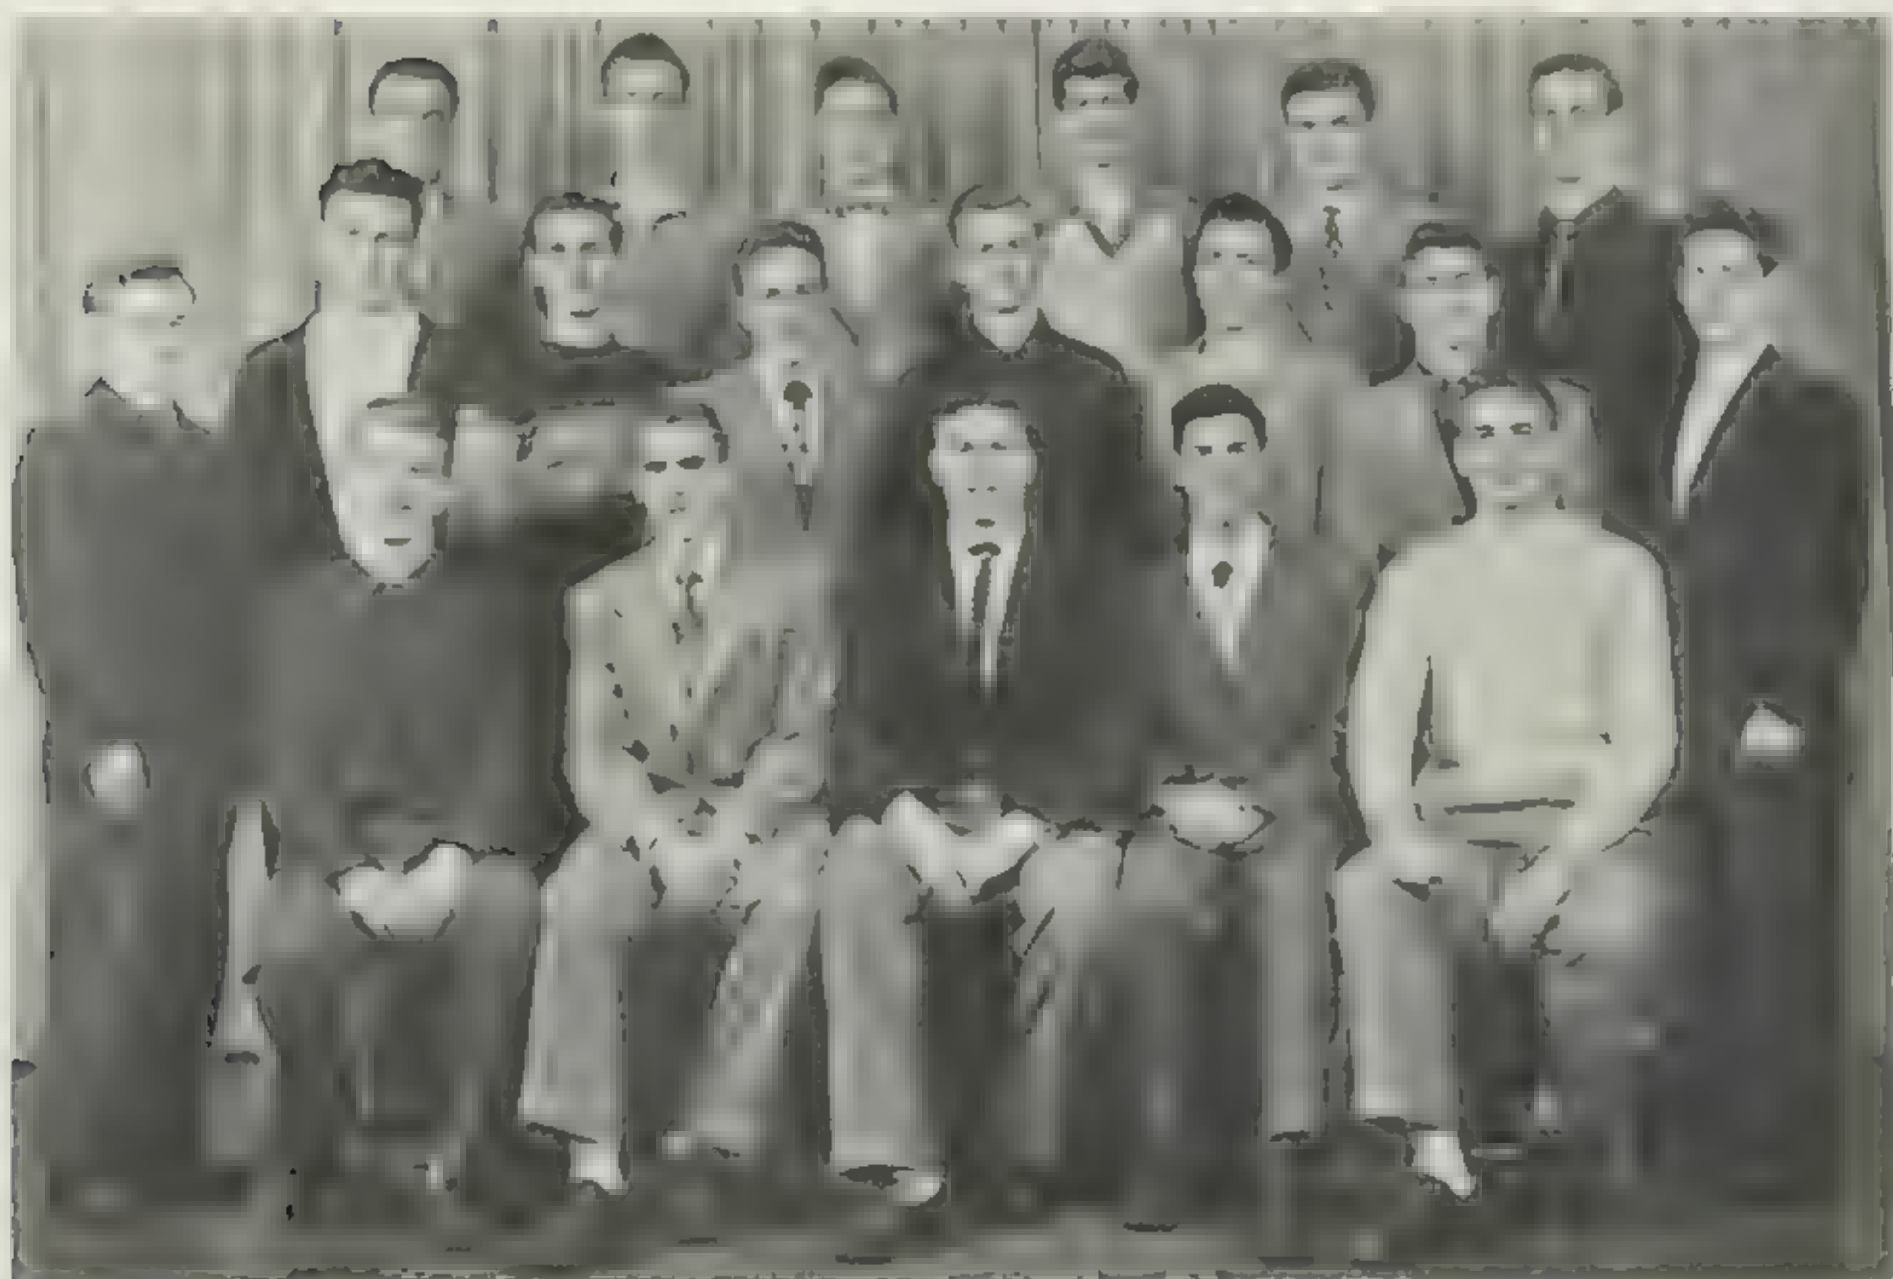

1. The first part of the report is a general statement of the purpose of the study. It is to determine the effect of the new Hi-Y program on the physical fitness of the students of the Hi-Y club.

Tri-Y

THE Y-Teen Club, under the supervision of Mrs. Cooper, enjoyed and appreciated all of the club activities during 1949-1950.

In October our club had a very successful Hayride. At later meetings we had speakers on the subjects of Hair Styling and Social Relationship. The Installation Dance in December, was held at the Kenmore YWCA, at which time Riverside was hostess to the Technical and Bennett Hi-Y clubs.

The club expressed its Christmas spirit by giving a donation to help Y-Teens in foreign countries at a Silver Tea in December, at the downtown YWCA. In January, we sent two representatives to the Bradford Conference.

We hope future Y-Teens will follow the principles set up for them and seek to live up to the high ideals of the club.

*T*HROUGH our participation in sports, we have learned the value of both winning and defeat. Each one on the team is essential; each one as he travels through life has a task to perform. We may not always experience success in all we do, but it is important that we do the best we can regardless of how large or how small the job or problem is that confronts us along our way.

"We can't all be captains, we've got to be crew,
There's something for all of us here.
There's big work to do and there's lesser to do,
And the task we must do is the near.

If you can't be a highway then just be a trail,
If you can't be the sun be a star;
It isn't by size that you win or you fail--
Be the best of whatever you are "

ONCE again, as we come to the completion of another year's Skipper, we realize the importance of working together and the assistance of others. Whatever we do as we travel the road of life will be beneficial or detrimental not alone to ourselves but to others. None travels the way alone; none can retrace his course.

"I shall pass through this world but once. Any good therefore that I can do, or any kindness that I can show any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

THE AMERICAN WAY

Twenty-four years ago this coming April, Val and his wife came to Pratt & Letchworth looking for "jobs". All Val needed for was the right to work, a job that gave him a living wage and an opportunity to improve himself. Just the plain American Way of Life.

Shortly Val retired. During his period of service Val and his wife brought up two splendid sons, bought and paid for a two-family flat where they now live.

At 65 Val and his wife live in their own home, have accumulated enough savings to live comfortably their remaining years. Val's rules for living are these:

Learn to get along with people.
Learn to exhibit more patience than any other man you know.
Learn to respect other men's ideas and opinions.
Learn to think problems through to the end.

Learn to put yourself in the other fellow's place.
Be loyal.
Cultivate cheerfulness.

RULES FOR THE ROAD

Stand straight:

Step firmly, throw your weight:

The heaven is high above your head,

The good gray road is faithful to your tread.

Be strong:

Sing to your heart a battle song:

Though hidden foemen lie in wait,

Something is in you that can smile at Fate.

Press through:

Nothing can harm if you are true.

And when the night comes, rest:

The earth is friendly as a mother's breast.

--Edwin Markham
